Dallas Policemen Deeply Involved in Plot, Says DA

FOIA b3b

JFK Murder Ordered by Millionaires, Charge

District Attorney Jim Garrison said in New York Thursday that "elements of the Dallas police force were deeply involved" in the assassination of President John F. Kennedy.

The assassination, Garrison charged, was ordered and paid for by "a handful of oil-rich psychotic millionaires."

Garrison's assertions came during and after a radio interview taped for a New York City program to be broadcast Tuesday.

He said the number of Dallas police involved was small and he refused to say how many "Texas style" millionaires were involved, although he identified them all as extreme conservatives.

He also said "some members of the White Russian community in Dallas" played a part in the plot.

FINISHED IN DALLAS

Garrison said he could reveal the latest developments because his investigators were finished in Dallas and back in New Orleans. He would have jeopardized their lives, he said, if he had mentioned the involvements of the Dallas police while his men were still in Dallas. The investigation there ended some 10 days ago, he said.

The DA repeated that he is ready to bring Clay L. Shaw to trial immediately on a charge of conspiring in the late President's death.

"John F. Kennedy was assassinated by armed ultra-militant para-military elements who were patriotic in a psychotic sense," he asserted.

He said these elements de-

cided to kill Kennedy because they felt he was "selling out to the Communists."

Garrison said there were "considerably more than seven men" involved in the actual assassination in Dallas, adding they were radio-equipped and took virtually no risk of being caught.

"The connecting link at every level of operation from the oil rich sponsors of the assassination down to the Dallas police department through Jack Ruby and including anti-Castro adventurers at the operating level were Minute Men, Nazi-oriented," he claimed, adding: "It was essentially a Nazi operation."

He also promised to reveal during the first week of the Shaw trial his version of what happened in Dealey Plaza on Nov. 22, 1963, the day of the assassination.

Garrison reiterated his claim that Lee Harvey Oswald, named by the Warren Commission as the lone assassin of Kennedy, was merely implicated "to drag a red herring in front of the people really involved."

He said Oswald at the time was an operator for the Central Intelligence Agency playing his part in the assassination thinking he was fulfilling another government's assignment. He called the CIA a "Fascist appendage to our country."

He emphasized that the assassination did not involve most of the Dallas police force or conservative organizations, saying the few Dallas police involved along with others happened to be members of ultra-right wing groups.
